Two Ball Twirly Scarf

By: Lion Brand Design Team

Materials:

- LION BRAND IMAGINE (Art. #515), #309 Strawberry Fields 2 hanks or color of your choice
- LION BRAND knitting needles size 11 (8 mm)

Note: Imagine is a loosely woven, tubular yarn. Knitting with Imagine requires a special, yet simple, technique. The stitches are formed by inserting the needle into this yarn, rather than wrapping the yarn over your needle.

Size: About 6 x 51 in. (15 x 129.5 cm)

Gauge: EXACT GAUGE IS NOT ESSENTIAL TO THIS PROJECT.

SCARF

To cast on, insert your needle into the yarn about 2 in. (5 cm) from the end of the yarn.

Pick up 2-3 threads of the yarn with your needle.

This loop of threads on your needle counts as the first stitch. Insert your needle into the yarn about 2 1/2 in. (6.5 cm) past the first stitch.

Pick up 2-3 threads of the yarn, this is the second stitch.

Repeat once more so that you have 3 stitches (loops) on your needle.

Row 1: Hold the needle containing the stitches in your left hand. Knit across the row as follows:

1. Insert right hand needle into the first stitch on left hand needle and then into the yarn, picking up 2-3 threads of yarn as before to make a new loop on your right hand needle.
2. Pull this new loop back through the existing loop, dropping the existing loop from your left hand needle – one stitch knit.
3. Repeat to knit the remaining 2 stitches.

Repeat Row 1 to knit more rows, until almost all yarn in the first ball has been used.

Knot the end of the second ball of yarn to the first ball of yarn, then continue to repeat Row 1 until about 20 in. (51 cm) of yarn remains.

Bind off by knitting the first, then the second stitch; with the tip of the left hand needle, lift the first stitch over the second and off the needle.

Knit the third stitch, then lift the second stitch over the third. To finish, pull the yarn end through the last stitch.

FINISHING

Knot all yarn ends, then trim close to knot.

Every effort has been made to produce accurate and complete instructions. We cannot be responsible for variance of individual knitters or crocheters, human error, or typographical mistakes.

Entrelac Cowl

By: Lion Brand Design Team

Size: Finished Circumference: About 28 in. (71 cm);

Finished Height: About 7 1/2 in. (19 cm)

Gauge: 18 sts + 24 rows = 4 in. (10 cm) in St st (k on RS, p on WS). BE SURE TO CHECK YOUR GAUGE.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to match the gauge, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Materials:

- LION BRAND WOOL-EASE (Art. #620)
 - #152 Oxford Grey 1 ball (A)
 - #151 Grey Heather 1 ball (B)
 - #402 Wheat 1 ball (C)
 - or colors of your choice
- LION BRAND knitting needles size 8 (5 mm)
- LION BRAND split ring stitch markers
- LION BRAND® large-eyed blunt needle

Stitch explanations

kfb (knit into front and then back) - An increase worked as follows:

1. Knit the next st through the front loop, but do not remove the st from your left-hand needle.
2. Knit the same st once more, this time inserting your needle through the back loop of the st. You will have created 2 loops (sts) on your right-hand needle.
3. Drop the st from your left-hand needle – you have increased 1 st.

ssk (slip, slip, knit) - Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them tog – 1 st decreased.

Abbreviations

beg = begin(ning)
k = knit
p = purl
p2tog = purl 2 together
pm = place marker
rep = repeat

RS = right side
sl = slip
st(s) = stitch(es)
St st = Stockinette stitch
tog = together
WS = wrong side

Notes

1. Entrelac knitting consists of rows of triangles and blocks that are worked in short rows. Short rows are rows that are worked over a portion of the sts in a row, leaving the remaining sts unworked. To work short rows, the pattern instructions will tell you to 'turn' before you reach the end of the row.
2. Follow the instructions for each row carefully and be sure to keep track of your place in the pattern.
3. Stitch markers are used to make it easier to see the beginning and end of each short row triangle or block. Move the position of the markers following the pattern instructions, being careful to move the beg of the row marker or the end of row marker as specified in the pattern. Use different color markers so that you can distinguish the beg of the row marker from the end of the row marker.
4. The Cowl begins with a section of foundation triangles, then half triangles and blocks are worked. To finish the Cowl, a section of finishing triangles is worked.
5. Unless otherwise noted, slip all sl sts as if to purl.

Notes

1. Scarf is worked in intarsia colorwork. Do not carry unused color(s) across WS of work. Use a separate ball for each block of color. When changing color, pick up new strand from under dropped strand to twist yarns and prevent holes from forming in your work.
2. Scarf can be worked from written instructions or by following the chart. When following chart, work in St st (k on RS, p on WS). When working from chart, read RS rows on chart from right to left and WS rows from left to right.

NOTES

1. The Lower Band is worked as a flat strip, working back and forth in rows on the circular needle. Ends of strip are seamed to make a ring, then sts are picked up along one long edge of the Band for the Poncho.
2. A cable pattern is worked on the Lower Band, Poncho, front band and hood. If desired, stitch markers can be used to highlight those sts.
3. Poncho is worked in the round, then divided at neck and worked back and forth in rows.
4. After shaping at top of Poncho has been completed, the remaining sts are used to make the front band.
5. Sts are picked up along the edge of the front band to make the hood.
6. Some sections of the Poncho include selvedge sts. These are sts that create an edge for seaming pieces together.

PONCHO

Lower Band

Note: Lower Band is worked back and forth on a circular needle in rows, as if working on straight needles.

With A, cast on 15 sts.

Row 1: K2, p1, work Row 1 of Cable patt I over next 9 sts, p1, k2.

Row 2: K1, p1, k1, work next row of Cable patt I to next marker, k1, p1, k1.

Row 3: K2, p1, work next row of Cable patt I to next marker, p1, k2.

Rep Rows 2 and 3 until piece measures about 44 (48, 52, 56) in. (112 (122, 132, 142) cm) from beg.

Poncho

Along one long edge of Band, measure about 11 (12, 13, 14) in. (28 (30.5, 33, 35.5) cm) from seam and place a marker.

Note: To work the next section, you will be picking up sts evenly spaced across the marked edge of Band. An easy way to do this is to divide the edge into halves, then quarters, etc - using pins or scraps of yarn to mark the sections. Now, simply pick up and k sts within each of the sections - for example, for the smallest size you will need to pick up and k 132 sts. If you first divide the long edge of the Band into 8 equal size sections, you should pick up and k 16 sts evenly spaced across sections 1, 3, 5 and 7 and 17 sts evenly spaced across sections 2, 4, 6 and 8 for a total of 132 sts.

From RS with B and beg at marker, pick up and k132 (144, 156, 168) sts evenly spaced along long, marked edge of Band. Place marker for beg of rnd. Join by working the first st on left hand needle with the working yarn from the right hand needle and being careful not to twist sts.

Work in Rev St st worked in the rnd (p every rnd) for 7 rnds.

Change to A.

Next Rnd: With A, k11 (12, 13, 14), *kfb, k1; rep to last 11 (12, 13, 14) sts, kfb, k to end of rnd – 187 (204, 221, 238) sts at the end of this rnd.

Next Rnd: *Work Rnd 1 of Cable patt II over 9 sts, p8; rep from * around.

Next Rnd: *Work next rnd of Cable patt II over 9 sts, p8; rep from * around.

Rep last rnd until piece measures about 12 (12 1/2, 13, 13 1/2) in. (30.5 (32, 33, 34.5) cm) from pick up rnd, ending with a Rnd 4 or Rnd 8.

Note: Ending with a Rnd 4 or Rnd 8 means that the last rnd you work should be a Rnd 4 or Rnd 8.

Divide for Neck

Note: The remainder of Poncho will be worked back and forth in rows on circular needle. If you ended with a Rnd 4 above, you should beg Next Row with Row 5 of Cable patt I. If you ended with a Rnd 8 above, beg Next Row with Row 1 of Cable patt I.

Next Row (RS): K1 (selvedge st for neck), kfb, k7, *p8, work next row of Cable patt I over next 9 sts; rep from * to last 8 sts, p6, kfb, k1 (selvedge st for neck) –189 (206, 223, 241) sts. Remove beg of rnd marker.

Next Row (WS): K1 (selvedge st), pm, k8 (Rev St st worked in rows), work next row of Cable patt I over next 9 sts, pm, * k8 (Rev St st worked in rows), work next row of Cable patt I over next 9 sts; rep from * to last st, k1 (selvedge st).

Decrease for top of Poncho

Next (Dec) Row (RS): K1, *work next row of Cable patt I over next 9 sts, p2tog, p6; rep from * to last st, k1 – 178 (194, 210, 227) sts.

Keeping first and last sts in Garter st (k every row), remaining sts in Cable patt I and Rev St st st, work even for 3 rows.

Note: When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.

Next (Dec) Row: K1, *work next row of Cable patt I over next 9 sts, p2tog, p5; rep from * to last st, k1 –167 (182, 197, 213) sts.

Work even for 3 rows.

Next (Dec) Row: K1, *work next row of Cable patt I over next 9 sts, p2tog, p4; rep from * to last st, k1 –156 (170, 184, 199) sts.

Work even for 3 rows.

Next (Dec) Row: K1, *work next row of Cable patt I over next 9 sts, p2tog, p3; rep from * to last st, k1 –145 (158, 171, 185) sts.

Work even for 3 rows.

Next (Dec) Row: K1, *work next row of Cable patt I over next 9 sts, p2tog, p2; rep from * to last st, k1 –134 (146, 158, 171) sts.

Work even for 3 rows.

Rep last row until piece measures about 34 1/2 in. (87.5 cm) from picked up sts, end with a WS row.

Bind off.

Without twisting band, sew edge of last 5 1/2 (6, 6, 6) in. (14 (15, 15, 15) cm) of band to neck, refer to schematic to match A to A and B to B. Sew bound off end of band to inside of Poncho.

Stitch Explanation

Yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

Abbreviations

k = knit

p = purl

rep = repeat(s)(ing)

RS = right side

sl = slip

st(s) = stitch(es)

wyib = with yarn in back

wyif = with yarn in front

WS = wrong side

yo = yarn over

Notes

1. A circular needle is used to accommodate the large number of sts. Work back and forth on the circular needle as if working on straight needles.
2. Afghan is worked in one piece, with 9 sections worked in alternating st and color patterns.
3. Sections 3-9 are repeats of Section 1 or Section 2, changing colors to create a striped effect. With yarn in front (wyif) refers to the side of the work facing you as you work the row; with yarn in back (wyib) refers to the side of the work that is away from you as you work the row.
4. To move yarn from front to back or back to front, bring yarn between needles. Take care not to wrap yarn over a needle, this could create an additional st.
5. Always sl sts as if to purl. On RS rows, sl sts as if to purl with yarn at back; on WS rows, sl sts as if to purl with yarn at front.
6. Only one color is used on each row. Do not cut the unused color between color changes, carry the unused color along the side edge of your work.

If it takes you fewer stitches and rows to match the gauge, try using smaller size needles; if more stitches and rows, try larger size needles.

Notes

1. Shawl is worked, in a modular fashion, from rows of Rectangles. The first row consists of one Rectangle, the second row consists of two Rectangles, the third row consists of three Rectangles and so on. Refer to Assembly Diagram for placement of Rectangles.
2. Each Rectangle is made with two miters (angles) formed by working decreases on every other row.
3. Change colors randomly as desired. To change color, cut the old color leaving an 8 in. (20.5 cm) tail then begin working with the new color leaving a beginning tail. You may knot the old and new yarn tails together, if desired. When you have finished knitting, unknot the yarn tails and weave them in.

If it takes you fewer stitches to match the gauge, try using a smaller size hook or needles; if more stitches, try a larger size hook or needles.

Stitch Explanations

M1 (make 1) An increase worked by lifting the horizontal strand lying between needles and placing it onto the left needle. Knit this new stitch through the back loop – 1 st increased.

ssk (slip, slip, knit) Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them tog – 1 st decreased.

Note: Center Panel of Shawl is worked first, then sts are picked up across side edges for left and right panels.

Gauge: 19 sts + 20 rows = 4 in. (10 cm) over Zigzag pattern with size 7 (4.5 mm) needles (for sizes S and L only); 18 sts + 19 rows = 4 in. (10 cm) over Zigzag pattern with size 8 (5 mm) needles (for sizes M and 1X only). BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to match the gauge, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Abbreviations

beg = begin(ning)

k = knit

p = purl

rep = rep

RS = right side

sl = slip

st(s) = stitch(es)

wyib = with yarn in back

wyif = with yarn in front

WS = wrong side

Stitch Explanations

skp Slip 1 as if to knit, knit 1, pass slip stitch over knit stitch – 1 st decreased.

sl2kp (slip 2 sts - k1 st - pass slipped sts over)

A double decrease worked as follows:

1. Insert right needle into next 2 sts as if to knit them tog, and slip them from the left needle to the right needle.
2. Knit the next st.

3. With tip of left needle, lift the 2 slipped sts (the 2nd and 3rd sts on the right needle) up and over the knit st (first st on right needle) and off the needle – 2 sts decreased.

Yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

PATTERN STITCH

Zigzag Pattern (worked over a multiple of 8 sts + 1 additional st)

Rows 1 and 2: With B, knit.

Row 3 (RS): With C, k2, yo, k1, *sl2kp, k2, yo, k1, yo, k2; rep from * to last 6 sts, sl2kp, k1, yo, k2.

Row 4: With C, purl.

Rows 19-22: With D, rep Rows 3 and 4 twice.

Rows 23 and 24: With E, knit.

Rows 25-28: With G, rep Rows 3 and 4 twice.

Rep Rows 1-28 for Zigzag pattern.

Notes

1. Tank is made from 2 pieces, Back and Front. Both pieces are worked in ripple and Zigzag patterns.
2. Yo's (yarn overs) are worked with matching decreases so that the stitch count does NOT change in pattern rows.
3. Sizes are created by using different needle sizes for different Tank sizes. Size 7 needles are used for sizes S and L only. Size 8 needles are used for sizes M and 1X only. Size 6 needles are used for armhole edging and neckband for all sizes.
4. The different size needles change the length of the Zigzag section, resulting in the M size being just slightly longer than the L size.
5. With yarn in front (wyif) refers to the side of the work facing you as you work the row; with yarn in back (wyib) refers to the side of the work that is away from you as you work the row.
6. When you see 'as established' in the instructions, this means to continue in the current pattern st, changing color as in pattern and taking care to keep the peaks and valleys of each row aligned.

Shape Armholes

Note: As you begin to bind off for armholes, you may need to adjust the Zigzag pattern. When working the RS pattern row, if you do not have a yo before the first sl2kp or after the last sl2kp, change that dec to a skp instead of a sl2kp.

Row 1 (RS): Bind off 6 sts, work in Zigzag pattern as established to end of row – 75 (75, 91, 91) sts.

Row 2: Bind off 6 sts, work in Zigzag pattern as established to end of row – 69 (69, 85, 85) sts.

Work even in Zigzag pattern as established until armholes measure 5 (5 1/2, 6, 6 1/2) in. (12.5 (14, 15, 16.5) cm), end with a RS row. **Note:** End with a RS row means that the last row you work should be a RS row.

Shape Neck

Row 1 (WS): P39 (39, 55, 55) sts, then sl last 21 (21, 37, 37) sts to a st holder for back neck, join a 2nd ball of yarn and p to end of row – 18 sts rem for each shoulder.

Row 2: On first side, work in Zigzag pattern as established to end of side; on 2nd side, bind off 4 sts, work in Zigzag pattern as established to end of side.

Row 3: On first side, work in Zigzag pattern as established to end of side; on 2nd side, bind off 4 sts, work in Zigzag pattern as established to end of side – 14 sts on each side.

Row 4: On first side, work in Zigzag pattern as established to end of side; on 2nd side, bind off 3 sts, work in Zigzag pattern as established to end of side.

Row 5: On first side, work in Zigzag pattern as established to end of side; on 2nd side, bind off 3 sts, work in Zigzag pattern as established to end of side – 11 sts on each side.

FRONT

Make same as Back until armholes measure 2 (2 1/2, 3, 3 1/2) in. (5 (6.5, 7.5, 9) cm), end with a RS row – 57 (57, 73, 73) sts.

Shape Neck

Work same as Shape Neck of Back until armholes measure same as Back. Bind off.

FINISHING

Sew left shoulder seam.
